

PRO X SOLVENT 142

Low Volatility Multifunctional Solvent

PRODUCT DESCRIPTION

Versatile Solvent with Low Odor and Volatility

PRO X Solvent 142 is a clean hydrocarbon solvent for use in a variety of applications.

PRODUCT APPLICATION

- Parts washing machines
- Manual parts cleaning/degreasing
- Adhesive remover
- Coating diluent
- Torch fuel
- Pesticide carrier
- Anywhere an effective general-purpose solvent is needed

FEATURES AND BENEFITS

- **Safer-To-Use Solvent:** Carefully refined hydrocarbons are selected to keep the flash point over 140°F.
- **Clear Visibility:** Water-white appearance is less likely to stain most surfaces.
- **Excellent Solvency:** Very effective at dissolving oil and hydrocarbon-related soils.
- **Rapid Evaporation:** Parts are usually ready for processing/finishing quickly.
- **Low Aroma:** Careful selection of highly refined stocks minimizes unpleasant smells in the work area.

TYPICAL TEST DATA

| | |
|-----------------------------|----------------------------|
| DENSITY@ 60°F, G/CM3 | 0.77-0.83 |
| DENSITY@60°F, LB./GAL. | 6.42-6.93 |
| COLOR | COLORLESS |
| FLASH POINT, °C[°F] | >63-67 (145-153) |
| VISCOSITY AT 40°C, CS | 1.3-2.0 |
| VAPOR PRESSURE AT 20°C, KPA | <0.22-0.5 |
| ODOR | CHARACTERISTIC HYDROCARBON |
