

PRO X PREMIUM BRAKE CLEANER NC

Multifunctional Brake Cleaner and Solvent

PRODUCT DESCRIPTION

Effective Non-Chlorinated Brake Cleaner and Degreaser

PRO X Premium Brake Cleaner NC is a clean volatile solvent for use in cleaning brake and other parts.

PRODUCT APPLICATION

- Cleaning brake rotors and drums
- Cleaning brake pads and shoes
- Cleaning dust and grease from brake parts
- Washing off dirt & grime from auto parts

FEATURES AND BENEFITS

- **Safer-To-Use Solvent:** Absence of chlorinated solvents improves worker respiratory safety.
- **Rapid Evaporation:** High volatility leaves no residue on parts.
- **Excellent Solvency:** Very effective at dissolving oil and hydrocarbon-related soils.
- **Lower Aroma:** Careful selection of blended chemical minimizes unpleasant smells in the work area.

TYPICAL TEST DATA

DENSITY@ 68°F, G/CM3	0.77
DENSITY@68°F, LB./GAL.	6.4
COLOR	COLORLESS
FLASH POINT, °C (°F)	-9 (16)
ODOR	CHARACTERISTIC HYDROCARBON
